Master of Professional Studies in Management and Organizational Leadership

Dear Class of 2018:

Housing

While many of you have already secured a place to live, others are still making those decisions. The Admitted Student Site is a useful resource for many things, including a list of available [housing options](#). Remember when you are signing a lease that Orientation begins on August 7 and 8th for International Students new to the US and August 16 (evening), August 17 & 18 for all Class of 2018 MMOL Students.

Laptop

Students entering the MMOL Program are required to have their own laptop for coursework. You can find the details regarding computer recommendations on the [Admitted Student Site](#) under [Laptop Specifications](#). For MAC users please be sure to note the additional requirements regarding Windows emulation packages. You will need your laptop by the first day of Orientation.

Photo

Just as with the MBA [Online View Book](#), we are establishing an Online Directory for our new MMOL students. You will find this is a particularly valuable resource as you get to know your classmates. It contains your photo along with brief information on your undergraduate institution. Please adhere to the following guidelines and email a high quality digital photo to Chelsea Benton-Monahan or submit it at the end of the arrival questionnaire no later than June 16th:

- Business professional
- Plain, light colored background
- Headshot (from the chest/shoulders up)
- Look directly into the camera

Survey

To help us prepare for your arrival, please complete our [arrival questionnaire](#) by June 16th. The survey should only take you 5-10 minutes.

Please contact us if you have any questions or need clarification on any of the topics listed in this message.

Sincerely,

Denise & Chelsea
