

## Penn State Smeal College of Business

### Master of Professional Studies in Management and Organizational Leadership

Dear Class of 2018:

Are you ready for some Football!

Penn State football is very much a part of Fall Saturdays here in Happy Valley. While not all students purchase football tickets, many do attend the MBA Association tailgates prior to each home game (you do not need to possess student tickets to participate in tailgates). You will hear more about those activities as you join the community.

Football Tickets On Sale!

If you are interested in football tickets, registration for Graduate Students is **Monday, June 19, 2017 at 7 a.m. ET**. Visit the Purchase Football Tickets section under the [Incoming Student Checklist](#) or go [Penn State Student Central](#). In order to purchase tickets, you will need your 9-digit Penn State Student ID.

To get a sense of what the Penn State football program is all about, [view this video](#).

You can find more information about all the [Penn State athletic teams at this site](#).

#### **IMPORTANT REMINDERS**

Lion Path – If you have not done so already, you need to complete the Student Activity Guide in LionPath, Penn State's student information system so that we can register you for your Fall 2017 classes. "Prior to each semester's enrollment, a Pre-Registration Activity Guide will appear in your Student Center. It contains emergency contact information, as well as the Financial Responsibility Agreement (FRA); both of which are required to be completed each semester. The FRA is a promise to take financial responsibility for payment of your student account." For more information on how to complete the Pre-Registration Activity Guide and the FRA, please view the video tutorial and read the step-by-step instructions found online at: <https://www.registrar.psu.edu/lionpath/knowledge-center/registration-faqs.cfm>.

This must be completed to be able to order football tickets.

Survey – To help us prepare for your arrival, if you haven't had a chance to do so yet, please complete our [arrival questionnaire by](#) June 16th. The survey should only take you 5-10 minutes.

Wage Payroll Positions – If you are still interested in a work position for 10-20 hours per week and haven't yet applied, many departments are still looking for folks! Check the Admitted Student Facebook page for individual job postings, or click here for a full list: [https://psu.jobs/university\\_park/jobs/keywords/smeal](https://psu.jobs/university_park/jobs/keywords/smeal).

Please contact us if you have any questions or need clarification on any of the topics listed in this message.

Sincerely,

Denise & Chelsea
