

Penn State Smeal College of Business

Master of Professional Studies in Management and Organizational Leadership

Dear Class of 2018:

As you know, Orientation is mandatory for all new MMOL students and begins on **August 7 and 8 for International Students** and **August 16 – 18 for ALL Class of 2018 MMOL Students**. Although the detailed schedule will not be finalized for a few more weeks, we want you to be fully aware of what to expect when you arrive. You can plan on full days of activities with limited free time, so keep this in mind as you prepare for your move and schedule any appointments. If allowed by your lease agreement, we encourage you to arrive in State College at the beginning of August so you can get settled in and be fully prepared to begin Orientation.

Also, as you think about packing, please be sure to pack business casual, business professional, and casual clothing for Orientation activities. View our [What to Pack page](#) for ideas on what you will need to kick-off your program. A great source of information as you prepare can be found on the Admitted Student Site under the [Incoming Student Checklist](#).

Some additional reminders for planning purposes:

1. Complete your [arrival questionnaire](#) including photo, by June 16th.
2. Complete your Career Services Summer Smart-Start deliverables by June 12th.
3. Purchase your [laptop](#).
4. Review information on purchasing [football tickets](#) prior to June 19th.
