

Penn State Smeal College of Business

Master of Professional Studies in Management and Organizational Leadership

Dear MOL Class of 2018:

As we get closer to MOL Orientation, we have some important information regarding registration, tuition, and laptops to share with you. Please read on for more details.

LionPath & Registration

LionPath is Penn State's student management system. As a student, you will use LionPath to view your grades, check your financial account, and view your academic profile. Please note that the Student Services Team has already registered you for all of your Fall 2017 courses.

Tuition Payment

Fall 2017 tuition bills will be prepared at the beginning of August and will be due August 22nd. Please be sure to check your student profile in LionPath in early August to ensure your bill has been properly generated, and there are no items left for you to complete.

IT Pre-Work

As part of orientation, we have scheduled laptop orientation sessions for you with the Smeal IT department known as the RIIT Group. Prior to your arrival you will need to make some updates to your laptop so that you can be fully prepared for this session. Please view the [IT document](#) in order to update your laptop to the appropriate programs.

Other Important Reminders

- 1) Complete your [arrival questionnaire](#) including photo, if you have not done so already. **This is PAST DUE.**
- 2) ALEKS (Pre-Term Accounting modules and assessment) – **complete by August 9th.**

NOTE: If you have not done so, please start ALEKS now. This takes a portion of focused time and needs to be completed in advance of the start of MOL orientation. Waiting until the last minute will not allow for the needed time to complete this online course.

Sincerely,

Denise & Chelsea
The MOL Student Services Team
